Why Join the Junior League?

Since 1948, the Junior League of Albuquerque has been making an impact on our community. Through volunteerism, training and financial support, we've helped to develop treasured community centers, special opportunities for children and families and valuable educational programs that improve the quality of life in Albuquerque. You can be a part of that legacy by joining the Junior League of Albuquerque.

We provide our members with specific training opportunities including boardsmanship, interpersonal communication, fundraising and more, to prepare each member for volunteer work in the Junior League and within the greater volunteer community. Members also use their skills and gain new ones while working on different committees which include: event planning, project research and development, marketing, grant writing and more.

We have fun, too. JLA members enjoy year round social functions, participate in special interest groups and develop friendships that last a lifetime.

We're Worldwide

The Junior League of Albuquerque is proud to be affiliated with the Association of Junior Leagues International (AJLI). Founded in 1901, AJLI is a non-profit organization that represents over 170,000 women affiliated with 292 Junior Leagues in four countries.

Fundraising

The Junior League of Albuquerque organizes and manages several fundraisers including our fall golf tournament Birdies & Bogeys and our gala event Red Wine & Blues.

Our Famous Cookbooks

Simply Simpatico

Captures the charm and cuisine of New Mexico through a collection of traditional and Southwestern recipes.

A Taste of Enchantment

An eclectic mix of regional cuisine, recipes from New Mexico's finest restaurants and triple-tested Junior League favorites.

Making a Difference

We make a difference! Every couple of years, the Junior League of Albuquerque adopts a community project that fulfills the overall mission of our volunteer-based organization. Our projects make a personal difference in the lives of participants through education, self-reliance programs, vocational instruction, communication and parenting skills.

You'll find JLA members volunteering all around Albuquerque. Our members are accomplished collaborators who build coalitions, identify community needs and develop effective and responsive programs to serve those needs.

Where there's a need for a trained, dedicated volunteer, you'll find a member of the JLA!

Albuquerque Accomplishments

The Junior League of Albuquerque was instrumental in developing numerous community-based organizations and agencies, including:

- Albuquerque Community Foundation
- Explora Science Center and Children's Museum of Albuquerque
- Albuquerque Children's Zoo to the Rio Grande Zoo
- The Children's Theater to the Albuquerque Little Theater
- Make A Difference Day
- Volunteer Center to the United Way of Central New Mexico
- The Crossroads
- The Ronald McDonald House

Current Community Project

The Ronald McDonald Family Room at the University of New Mexico's Children's Hospital

The Junior League of Albuquerque selected the Ronald McDonald Family Room as its Community Impact Project for 2006-2008. The Junior League will help to get the room operational during its first two years. We will coordinate the design of the room, the marketing of the service, planning the grand opening event and staff the room with volunteers who will provide comfort to families in their time of need.
