

JUNIOR LEAGUE OF ALBUQUERQUE 2023-2024 IMPACT REPORT

"As a housewife managing a household of four, I often faced the difficult choice of whether to pay rent, utility bills, or buy diapers. More often than not, I had to prioritize paying bills over purchasing diapers, which left me with a deep sense of guilt. Thanks to the support from JLA, I can now provide clean diapers for my child. I am truly grateful for this assistance. I didn't know how I was going to afford diapers... Thank you so much for this resource."

President's Message

Michelle McMullan, 2022-2024 President

I am incredibly proud to reflect on the impactful year we've had at the Junior League of Albuquerque. Together, we have achieved remarkable milestones that have enriched and strengthened the lives of many in our community.

One of our most significant achievements has been the JLA Diaper Bank. We successfully welcomed 10 new community partners, extending our reach and effectiveness in addressing local needs. It is heartening to hear that all recipients reported a profound improvement in their circumstances because of the diapers they received. Thank you to our amazing Members for their hours of dedication.

Additionally, we contributed the equivalent of \$166,513 worth of volunteer hours to various initiatives across Albuquerque. This tremendous effort underscores our commitment to service and our community's welfare.

I am deeply grateful for the opportunity to have served as president over the past year. I look forward to witnessing how we will further our impact, empower women, and strengthen our community in the years to come.
